Main Narrative
PTLM DAN WHITE (717)

On 10/28/2018 at 14:50hrs, I Officer White and Officer Edgar were dispatched to 318 Garland St for a male threatening suicide. The caller, was the wife Shawna Evans, who was not on-scene. She reported to dispatch that her husband John Evans had a firearm with him, drinking beer, threatening suicide. I, requested additional units to assist. Wilkinsburg PD Officer Stenga and Swissvale PD Officer Sitzman arrived and staged with Edgewood Officers at Garland @ Harlow. Officers determined it was the house closest to Borough Parking Lot. Officers then approached the home on the sidewalk. Officers Edgar and Sitzman went around back, Officer Stenga and I approached the front. I Knocked on the door, announced and Evans answered the door. He was unarmed, cooperative, patted down, detained, and EMS was requested in, while the other Officers cleared the home. Officer Edgar reported the firearm could not be located anywhere, especially around where he was sitting. Evans who appeared aware of his surroundings was able to refuse EMS care and EMS cleared the scene. I spoke with Evans who told me the firearms were under the bedroom mattress upstairs. I eventually located the 2 firearms in the home. A Charter Arms .38 Revolver with a silver frame and light wood grip, and an all black metal Ruger .22 target pistol. They were placed in a gun box together and removed from the home. Evans reported he feels just fine, there is some stress at home but everything was fine. He stated he is in good health was just home watching the football game when we arrived. A short time later the wife, Shawna Evans arrived. She stated that over the past few days, his behavior had changed, he got that gun out, which was stored for years, and that he talked about playing Russian Roulette. She had begged him to get help. I advised Evans based on her observations she could file for a 302, however he displayed no threatening or questionable behavior in front of Officers. Shawna agreed that John could leave with his mom and sisters to clear his head. I told Shawna that would be a good time to get the 302 and he could be served there. John was overheard saying that if he has to leave the house, he is filing for divorce. Shawna advised that john is a diabetic with high BP and stopped taking his meds a few weeks ago and thinks that may be the cause. I again told Shawna to get the 302, but his sister overheard that, grew upset and left the scene. The firearms will be placed in evidence for Safekeeping only at this point.

SUPPLEMENTAL 09/15/2019 20:56 - 714 PTLM MIKE LIBELL. On September 15, 2019 at approximately 1830hrs. I returned a phone call to Robert Mallick of Garland Street. Mallick stated that his friend Nick Flatz was a co-worker of the deceased John Evans. Flatz had indicated that Evans had mentioned on several occasions that he might blow up their place of employment. Both Flatz and Evans worked in the "Life Pittsburgh" warehouse located in McKees Rocks. Flatz became concerned after Evans destroyed his Garland Street Home. I spoke briefly with Flatz then contacted Allegheny County Detectives who were handling the Garland Street incident. I Spoke with Sgt. Costa and passed along the all of the pertinent information.
